

Col. Dave Darrah

Born April 1951, Frankfort, MI

Inducted: 2022

Darrah flew more than 10 types of fixed and rotary-wing aircraft in the US Marine Corps in a 30-year military aviation career. He served in and commanded a number of large and administratively complex organizations both in the states and overseas. Upon retirement, Darrah worked for Washington area companies and eventually accepted a job as Airport Enterprise Director at the Warrenton-Fauquier Airport in Midland. His projects there included installation of a large potable rainwater system to serve the

needs of a new terminal building, the second of its kind in the state. Darrah was named Virginia Airport Manager of the Year in 2015 and has served on boards of the VAHS and Virginia Aviation Business Association. In 2022 he retired, sold his Stafford County home and relocated to Florida.
